

## Oklahoma State University 工學院院長之邀請函

Dear Professors and Staff at National Cheng Kung University:

Greetings. I am contacting you on behalf of the School of Civil and Environmental Engineering at Oklahoma State University to provide information about the **Dr. Paul Bao-Ho Liao and Mei-Yea Liao Graduate Fellowship in Environmental Engineering**. We are excited to invite students from your institution to apply to attend Oklahoma State University with support from the fellowship. The **fellowship requirements** are:

“The recipient must be enrolled as a graduate student at the University in the College of Engineering, Architecture and Technology. The recipient must be pursuing a major in the School of Civil and Environmental Engineering. First selection preference will be given to students from National Cheng Kung University and/or Shu-Te University. Second selection preference will be given to students pursuing a degree in Civil and Environmental Engineering, specializing in either Water Resources or Environmental Engineering. In the event no students are identified using both the requirements and preferences above, the award should be made for the coming academic year by selecting recipients using only the above stated requirements. The size of the award and number of awards may be determined at the discretion of the Selection Committee.”

Please inform your students who may be interested about this opportunity. Questions may be directed to:
